Soups include Vegetarian Split Pea French Onion and White Bean with Bacon. Twenty-four types of baked beans are mere prelude for the 14 chili options including "Senator Barry Goldwater's Arizona Chili" (which gives new meaning to the phrase "bowl of red"). [Clancy](#) *The Hunt for Red October* by Tom Clancy Unabridged read by J Charles Get Other Classic Audio Books CD click here *The Hunt for Red October - Tom Clancy - AudioBook CD Brand New : Unabridged 13 Audio CDs 15 Hours* Marko Ramius a Lithuanian who has risen to high levels of trust in the Soviet Navy intends to defect to the United States with his officers and the experimental nuclear submarine *Red October* a Typhoon-class submarine equipped with a revolutionary stealth propulsion system. The propulsion system is described as a pumpjet or magnetohydrodynamic system nicknamed *Caterpillar Drive* making sonar detection extremely difficult. The result as is immediately apparent to Jack Ryan and the admirals in the Joint Chiefs of Staff is a strategic weapon platform that is capable of sneaking its way into American home waters and launching nuclear missiles with little or no warning. It is also not lost upon Ramius whose defection is spurred by several other factors as well. In particular he is deeply affected by the death of his wife due to a doctor's incompetence. Because the doctor was the son of a Politburo member he was above reproach. His wife's untimely death in conjunction with a long-standing dissatisfaction with the callousness of the Soviet establishment towards its sailors and the fear of the destabilizing effect of the *Red October* in world affairs ultimately exhausts Ramius' tolerance for the Soviet system's failings. In the beginning of the novel Ramius kills Political Officer Ivan Putin to ensure he will not interfere with the defection. In a letter to Admiral Yuri Padorin (who
